

# TORTILLAS

Primarily during the winter months, some weekends and special events, the Park hosts tortilla makers as part of our historical craft demonstrations. If you are lucky enough to be here on one of these days, this might be your favorite thing while visiting Tumacacori.

## GUIDELINES

- The tortillas are free, a part of our craft demonstration program, but we encourage donations to keep the program going.
- Our tortilla makers are very friendly but only speak Spanish. Try speaking Spanish or ask one of our bilingual rangers to help translate.
- Ask the tortilla maker to show you how to make your own tortilla.
- Eat and enjoy the best tortillas this side of the border!
